## Reading Scrapbook Challenge

Friday 9<sup>th</sup> February 2018

Dear Parents/Carers,

At Tower Hill, we believe that reading is the key that children need in order to be able to unlock and therefore access all areas of the curriculum and we are constantly trying to find new ways to encourage children to read both in school and at home.

As another way to encourage your child to read at home and to promote the joy of reading together, I am introducing a Reading Scrapbook Challenge. This will involve choosing a book(s) to share together at home as a family and creating scrapbook pages to let others know about your reading experience and the book(s) that you have chosen to read. If you have more than one child at Tower Hill, this can be done as a family or each child can create their own scrapbook.

Your scrapbook pages might include the following:

- Why we chose to share this book.
- Our favourite parts of the story and why
- Character analysis and traits
- Where we read together
- What we like about reading together
- Our favourite characters and why
- Illustrations of the book
- Other books we have enjoyed by the same author

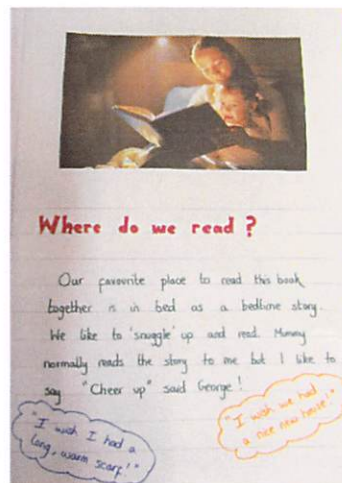

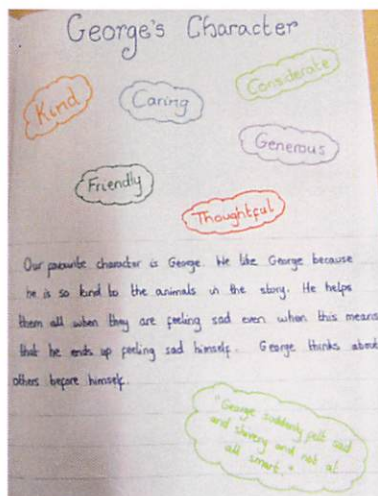

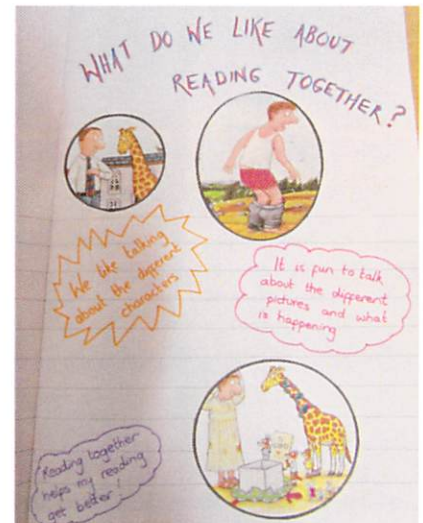

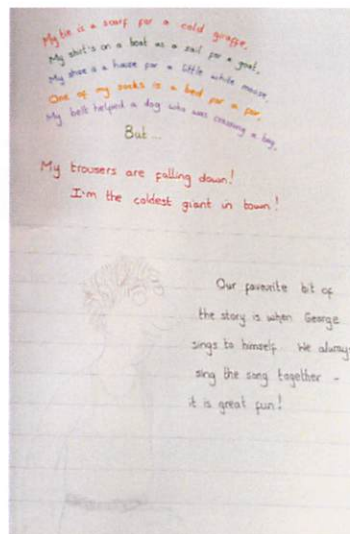

I have attached some examples of pages to this letter for inspiration however you can complete your scrapbook however you like. The pages can be handwritten or computer generated or a mix of both.

If you would like to enter the competition, please give your Reading Scrapbook to Mrs Ward by **Monday 19<sup>th</sup> March 18**. Every child that participates will receive a certificate and the winners will receive a prize - a new book to take home and enjoy! I will also ensure that your scrapbooks are returned to you.

I look forward to seeing your completed scrapbooks and hopefully learning more about your reading preferences and perhaps finding out about some new authors and illustrators myself.

Yours sincerely

Mrs Ward  
Assistant Headteacher

These are some examples of pages that you could include in your scrapbook.
