Once again this year the Governing Body will be supporting our decision to prioritise some of the school budget to heavily subsidise school visits and experiences. This is with the key aim of enabling us to ask you for the lowest possible voluntary contribution. By providing these exciting and enriching experiences the teachers are able to 'make learning real' for the children. To help you 'plan your budget' for the year, we hope sending you a list of currently known visits and activities will be useful (*see below*), detailing what we hope will be the maximum contribution. As opportunities arise during a school year, it is possible that this list will be added to but we hope that knowing 'the known' will be of help.

Class Teachers will always send out letters in advance of any event/visit to inform you of detailed arrangements and actual amount of requested voluntary contribution nearer to the time of each event.

With my best regards,

Miss Laura Ovenden
Headteacher
