Learning and Fun!

It has been another busy week at school in which I have had the pleasure to be able to take a peek into each class to see what they have been learning. It was fabulous to see all the children enjoying their learning and making great progress. The teachers are looking forward to sharing some of these successes with you at our virtual parents evening sessions happening in a few weeks time. Next week we will let you know how to book on to these sessions.

Sadly we were not able to have our summer fayre this year and the Christmas fayre is also looking more and more unlikely. We usually raise lots of money which goes directly into the resources that we provide for the children in school. The children also love these events! So in order to attempt to 'fill the gap' in our fundraising income we will be holding smaller events throughout the term in a 'covid safe' way. Please see details of our first event below and we hope you will be able to support us to raise as much as possible—thank you.

It is also time for parents with younger children to decide which school to choose. If you know anyone in this position please let them know we will have a virtual open evening and meeting sessions available—see flier.

Best wishes

Miss Laura Ovenden Headteacher

with the Headteacher and Deputy Headteacher on Wednesday 14th October at 10am Thursday 22nd October at 6pm Friday 6th November at 10am For all enguines please telephone: 01252 541786

purpliest purple people!

Choctastic Fun

3.00-3.30 pm

everything a pound! (Please bring coins so we don't have to handle money!)

On the playground-

ocolate Co

DOU

Next week we will be promoting WALKTOBER to the children. This is to teach the children about healthy lifestyles and how to help themselves be fit and strong! As well as encouraging the children to walk to school we will be talking to them

about many different activities they can do outside. Autumn is a brilliant time of year to take a walk and find new and exciting things in nature. We hope you can support this by walking to school when you can!

We continue to have excellent links with Christ Church Cove and I'm delighted to say we will be part of their Harvest service this year virtually! Some of our pupils have done videos of themselves doing readings for the service. These will be shared by Christ Church Cove on you tube and facebook.

Upcoming dates.....

Thurs 8th Oct—Virtual School Tour for prospective parents goes live on website.

Thurs 8th Oct—Eiffel class trip to Runways End

Friday 9th Oct—Aspire Class trip to Runways End
