

Dear all,

Thankyou for supporting us to raise some money for the Jeans for Genes campaign. Together we were able to raise £280! We hope the children enjoyed wearing their jeans to school for a day!

Today we have presented our new Year 6 prefects with their badges. It was difficult to pick from the excellent letters that they wrote explaining why they wanted to be a prefect. We hope to involve them in various responsibilities around the school this year. Whilst just a few have been picked initially, more pupils will get the chance to become a prefect later this year. Congratulations to our new prefects.

On the subject of school responsibilities, we are looking for some pupils to become leaders! Today in our Key Stage 2 assembly I have spoken to the children about putting themselves forward to become one of the following: a Reading Ambassador, a Cyber Ambassador or a Sustainability Champion. All they need to do is write me a letter explaining why they would be good for one of these roles. The deadline for the letter is Friday 4th October. More information is found on the flier that has come out with the newsletter.

Have a great weekend!  
Miss Ovenden

## PREFECTS

The Jeans for Genes campaign raises awareness of the daily challenges faced by those living with a genetic condition. Money raised this week will fund projects that make a tangible difference to the lives of affected families across the UK.

**JEANS FOR GENES**

### Photo Day

Next Friday we will have the school photographer in taking individual photos of the children. Please make sure everyone is looking their best!
