Dear Parents/Carers,

As you may be aware, the **Data Protection Act** is being reviewed nationally for the first time in over 10 years next year.

In advance of that, the Legal Services Team of Hampshire County Council has reviewed all forms relating to parental consent for the taking of photographs and filming of children and young people and how these images can be used with regard to parental choice.

I would appreciate if you could complete and return the attached, new form as soon as possible so that we are very clear of your wishes.

Yours sincerely,

Mrs. Linda Tansley
Headteacher
