21st March 2018

Dear Parent/Carer

FRESH MILK IN SCHOOL

After a continuing success last term the school is to offer a fresh cup of milk every day at a cost of 20p per day. This will be given to the children each morning, after break, where a register will be taken to see who has had milk.

This is a great opportunity for the children to enjoy a fresh cold cup of milk every day and it only costs £1 per week. If your child however is under 5 or is eligible for Free School Meals, (NOT Universal Free School Meals), then this will be provided at no cost by the school.

Payment in advance and orders for milk will need to be made so we know what quantities to order each week. If your child would like milk every day, please sign and complete the attached slip with payment and return to the office before Wednesday 28th March so we have milk for when the children return after the Easter Holidays.

We hope the children will continue to enjoy our milk scheme and we ask that you could encourage them to have milk at school as part of a healthy balanced diet.

If you have any queries regarding this scheme, please contact the office.

Regards and best wishes.
