

Dear all,

It was wonderful this week taking the selection of toys and craft equipment to the children's ward at Frimley Park hospital. Our Year 2 children were proud to be able to support them through their wonderful fundraising efforts. They even got to meet Yogi the therapy dog!

Mr Kennedy has been running again! He has led the charge on our sponsored run whilst taking part in breaking a Guinness World Record! Well done for everyone that took part—you can see the winners below. Thank you to all of you at home who have sponsored the children—funds will help hugely with the running of the school, we are really beginning to feel the pinch! Instead of rewarding one child who raises the most (as previously advertised) we have decided to congratulate the class with the highest overall total. We recognise how tight money is at the moment and are grateful for any amount that is possible—many thanks.

It was wonderful to watch Alloa Class assembly this morning about the History of Flight—perhaps you can pick out some of the famous faces amongst them....Amelia Earheart....Samuel Cody....The Montgolfier brothers!

Miss L Ovenden
Headteacher

Winners!

NHS
Frimley Health
NHS Foundation Trust

SPORTS LEADERS

Our new sports leaders have sprung into action this week with some fantastic games for the children to join in with at lunchtime. All the children have had great fun!
