

7th March 2018

Dear Parents /Carers

I am writing to tell you about a 'fun-packed' week of activities next week including a visit from M & M Productions, the Dinosaur Dome and Birdworld.

I am delighted to tell you M & M Productions, the professional education touring theatre company, will be performing their production '**The Secret Garden**' on the afternoon of **Tuesday 13th March** for the whole school. The theatre company has always produced exceptionally professional performances which have been thoroughly enjoyed by the children in previous years and I am sure that this year will be no different.

As well as this, all of the children in school will get to participate in a workshop with either the **Dinosaur Dome** or **Birdworld** as part of **Tower Hill's Science Week**.

The **Dinosaur Dome** show for children in **KSII** includes immersive full dome 360 degree images of dinosaurs as the children walk through a dinosaur landscape. These sessions will take place on **Monday 12th March**.

Children in **KSI** will participate in a hands on workshop delivered by **Birdworld** where they will be introduced to a range of different animals including reptiles, insects and birds. These sessions will take place on **Wednesday 14th March**.

Obviously these wonderful opportunities do not come without a cost and we would greatly appreciate if you could make a contribution of **£5.00** towards off-setting the costs. Could you please send **£5.00** in a named envelope to your child's class teacher, or alternatively pay directly at the school office or online.

Many thanks for your continued support.

With best wishes,

Mrs. Linda Tansley
Headteacher
