

Dear all,

This week we have had workshops galore! At the beginning of the week Year 5 had a very interactive drama workshop with Rachel (who stars in the Aldershot Panto every year). Their focus was learning all about Shakespeare's Macbeth to support their learning in class. Year 2 were then able to learn more about the Great Fire of London through their exciting workshop.

Next week we will send out the booking information for our parent consultation sessions taking place on the Tuesday and Wednesday of the last week of this term—look out for the Arbor letter.

The children across all classes have been getting very arty this week. Everyday they have had 10 minutes to draw a picture with a given theme. This has proved to be very cathartic and enjoyable. We will continue this into next week too.

On Tuesday, our girls football team travelled to Calthorpe Park for a football tournament. The girls played five short games, winning one, drawing two and losing two. The girls battled hard throughout with Raiyah being the top goal scorer on the night. Well done girls.

Miss Ovenden, Headteacher

No scooting or vaping on the playground before or after school please.

Red Nose Day!

Friday 15th March 2024

Wear something red or funny for money!
£1 donation

Buy a Red Nose!
£1
