

Dear all,

It has been wonderful to be back at school this week with all the children. They have been so brilliant settling into their new classes, despite the horrendous weather! They all look so smart in their bright white shirts and shiny black shoes!

This week we have introduced our new 'behaviour words' to the children. These are **READY, RESPECT & SAFE**. Using these three key components we will continue to support the children to have excellent learning and social behaviours with each other.

Today you will be receiving curriculum maps and homework menus so that you can know and understand what the children are working on. You can find more information about the curriculum on our website. If you think you can help in anyway to bring learning to life please let us know! Hopefully you will have seen our plea for parent helpers—we would love to hear from you!

Our new Year R children were fantastic coming for their stay and play session today. We look forward to seeing them all again next Monday in their uniforms ready for lots of fun and learning.

Have a great weekend and hopefully the sun will make an appearance again!
